

# Trail-O day in Denmark

18/11

## INVITATION

Pre-O & Temp-O

---

Edit: 20-okt18

**Organiser:** Tisvilde Hegn OK, Ballerup OK, Silkeborg OK

**Date:** 18/11-2018

**Programme:** Sun 18/11 TempO  
Sun 18/11 Long, Pre-O

**Terrain:** Classic Danish forest and residential neighbourhood. The forest is in general very flat with almost no contours and good visibility. It contains open areas with a lot of small marshes and water channels. Some parts of the forest have a lot of under vegetation and some areas with bad visibility as well.

The southern part of the forest has many hills and knolls and there are many contours on the map. The visibility is reduced but still good.

The residential neighbourhood is a newly built park area, built on old barracks area. Very flat with many single trees, bushes, hedges and playgrounds. The housing blocks are characterised by its unusual shapes.

**Classes:** Only Elite class divided into Para and Open. Classes may be merged due to few registrations. Only one class at TempO. Para athletes must bring their own assistance if needed. The organizing clubs will provide no assistance.

**Map:** Farum Lillevang og Garnisonsparken 2018, ISSOM  
Map scale 1:4000 or 1:3000, contour interval 2.5m  
Mapped this summer 2018 for Trail-O
